

# AGILE TRANSFORMATION SERVICES

Finally - a process that aligns with your quickly changing business needs.

HMB's Agile Transformation Services equips organizations with a methodology to deliver projects predictably, reliably and with great quality. Organizations will experience great collaboration while maintaining visibility into the process. **Our solution provides:**

- Agile methods to promote collaboration, efficiency and adaptability throughout the entire SDLC
- Agile education and training to arm your team with the skills to execute
- Variable length "sprints" that encompass a full SDLC cycle and fit your business needs
- Agile testing and development methods
- Improved communication methodologies, (face to face meetings and co-locating)

## Why leverage HMB's Agile Transformation Services?

**We have a scalable, systematic approach**  
Using agile assessments, we develop a strategy and plan that meets your goals.

**We are expert coaches and educators**  
HMB will organize and deliver Agile training for the enterprise

**We align and engage leadership**  
Successful roll-outs require both management and teams to be fully engaged

**We have end-to-end testing services**  
Testing occurs at every step and there is a focus on automation
